Mary and her husband Harry lived in a tiny village . One of Mary's prize possessions was a little white lamb which her husband had given her . One evening the lamb was missing . The rope had been cut , so it was obvious that the lamb had been stolen . When Harry came in from the fields , his wife told him what had happened , so he set out to find the thief . After telling several of his friends about the theft , Harry found out that his neighbour , Bert had suddenly acquired a new lamb . Harry immediately went to Bert's house and angrily accused him of stealing the lamb . He told him he had better return it or he would call the police . Bert denied taking it and led Harry into his back-yard . It was true that he had just bought a lamb , he explained , but his lamb was black . Harry apologized to Bert for having accused him . While they were talking , it began to rain and Harry stayed in Bert's house until the rain stopped .
